DID YOU KNOW WE HAVE HEDGEHOGS IN OUR NEIGHBOURHOOD?

HOG ZONE

TO

Hedgehogs are in decline – let's welcome our local visitors!

We can help our prickly neighbours by making 13cm square gaps in our fences or walls so they can move safely between gardens, leaving out fresh water, and creating a wild corner for natural food and shelter.

If you'd like to give them a treat, offer meaty hedgehog, cat or dog food, or cat biscuits.

Every small action helps our local hedgehogs thrive!
