

ATTENTION!

DID YOU KNOW WE HAVE HEDGEHOGS IN
OUR NEIGHBOURHOOD?

TO

Hedgehogs are in decline so we
are **very lucky** to be seeing prickly visitors!

We can all help our local 'hogs by ensuring there is easy access into gardens (a CD case sized gap is perfect). Hedgehogs travel about a mile each night so we need to make sure our gardens are linked to provide enough habitat for them.

We can also offer hedgehog food, meaty cat or dog food or cat biscuits & water for them to dine upon. Who knows, we could soon hear the pitter patter of tiny 'hog feet!

If you spot one, please log your sighting at
